CONESTOGAN 1984

Elizabethtown College

Elizabethtown, PA 17022

VOL XXXIII

Ross M. Cleveland, Jr. — Editor

As we pause for a moment in the year 1984, many of us hear of "bad news" such as the wars in distant lands. Many of us feel the fear of nuclear devastation. Many of us know of the difficulties in getting a good education with increased costs. Although there is much to grieve about, there is much to be happy about.

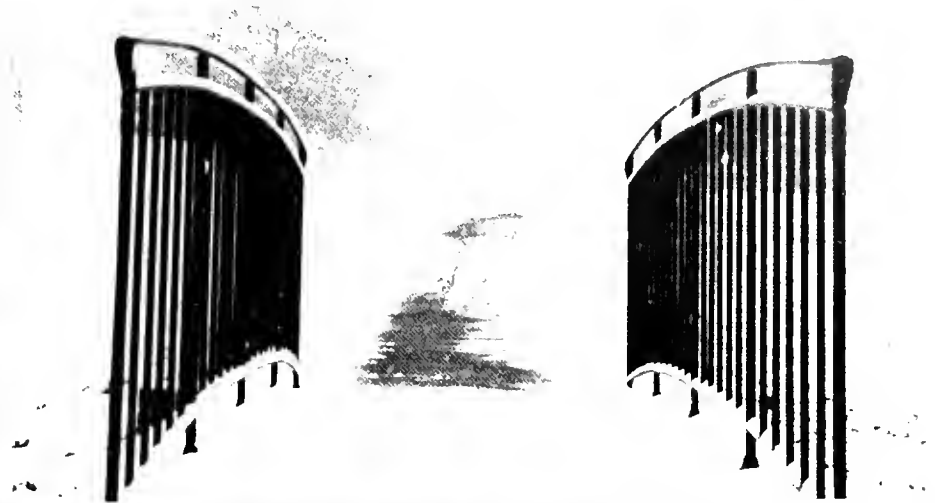

It is ironic almost to the point of comedy that people should so focus on evil that they blindly overlook the immeasurable abundance of good, happiness, even pleasure carried by this planet in time. Should we count the thorns

without counting the stars? Do we forget that there is more peace than war and more beauty than ugliness? Why should we focus on hate and miss seeing love, or hear the groans of grief but be deaf to the songs of joy? There are lights in the world as well as shadows. There is virtue as well as vice. Our senses provide us with more pleasure than pain. On any fair estimate, the sheer volume of beauty, pleasure, goodness and happiness in the world would eclipse the very highest count of evil.

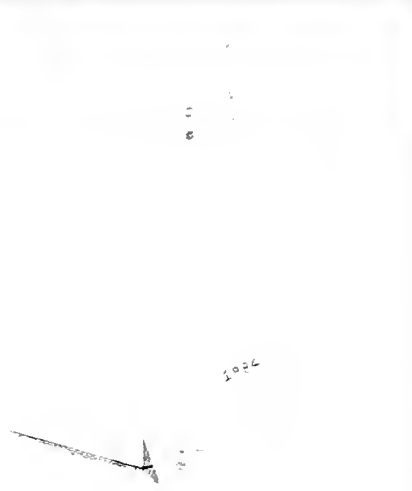

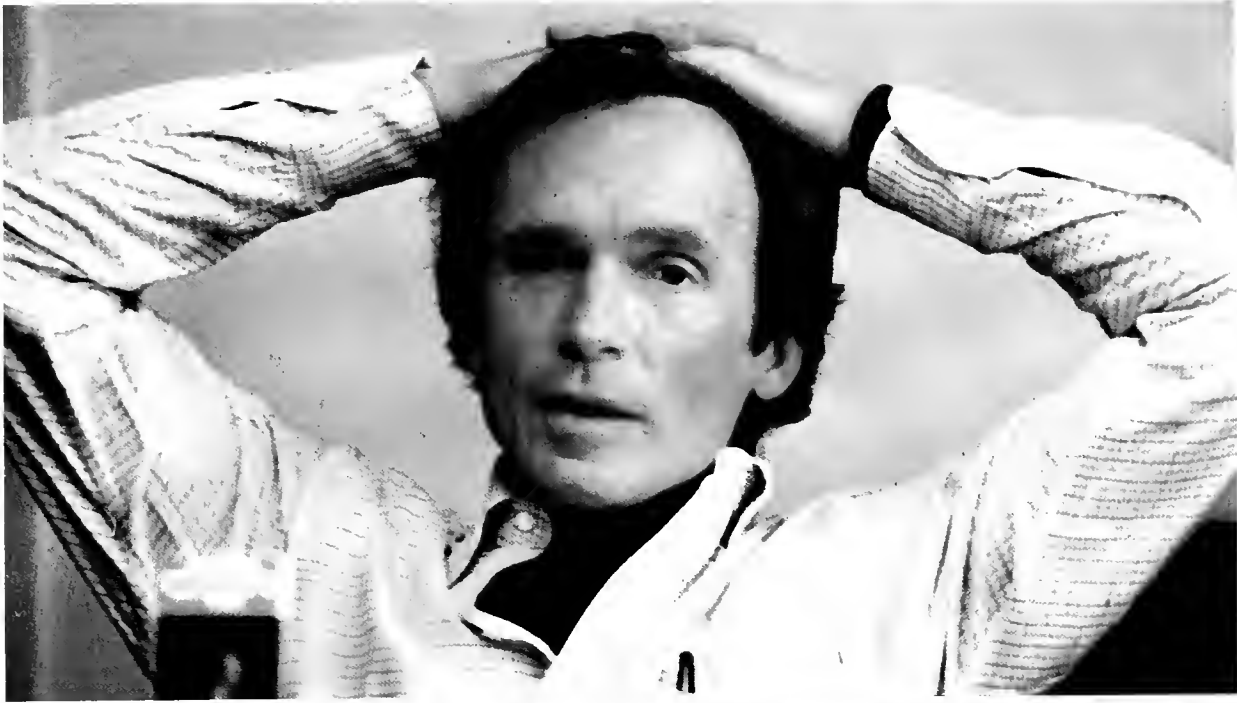

Through the theme of the art presented in

Conestogan 1984, we have tried to present to you a humorous view of life as it is and how it might be. As the cover and end sheets portray, 1984 and the future is in a sense a time of chance. Like the game of Monopoly, in the game of life we must all learn to roll with the dice and not just focus on the bad. On the divider pages, we take a jesting look at how life may be in 2084 here at the college as it pertains to the different sections of the book.

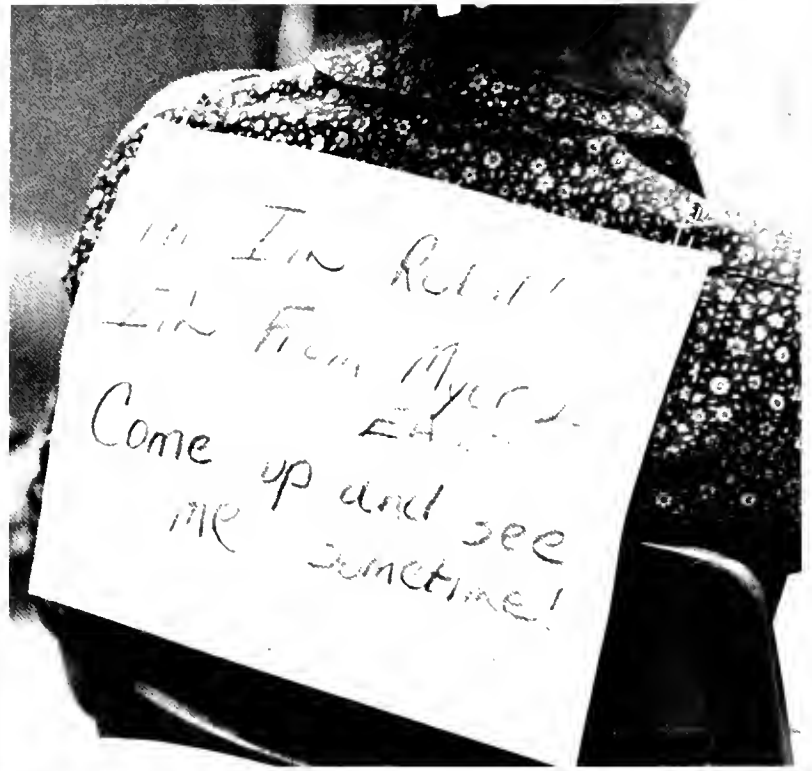

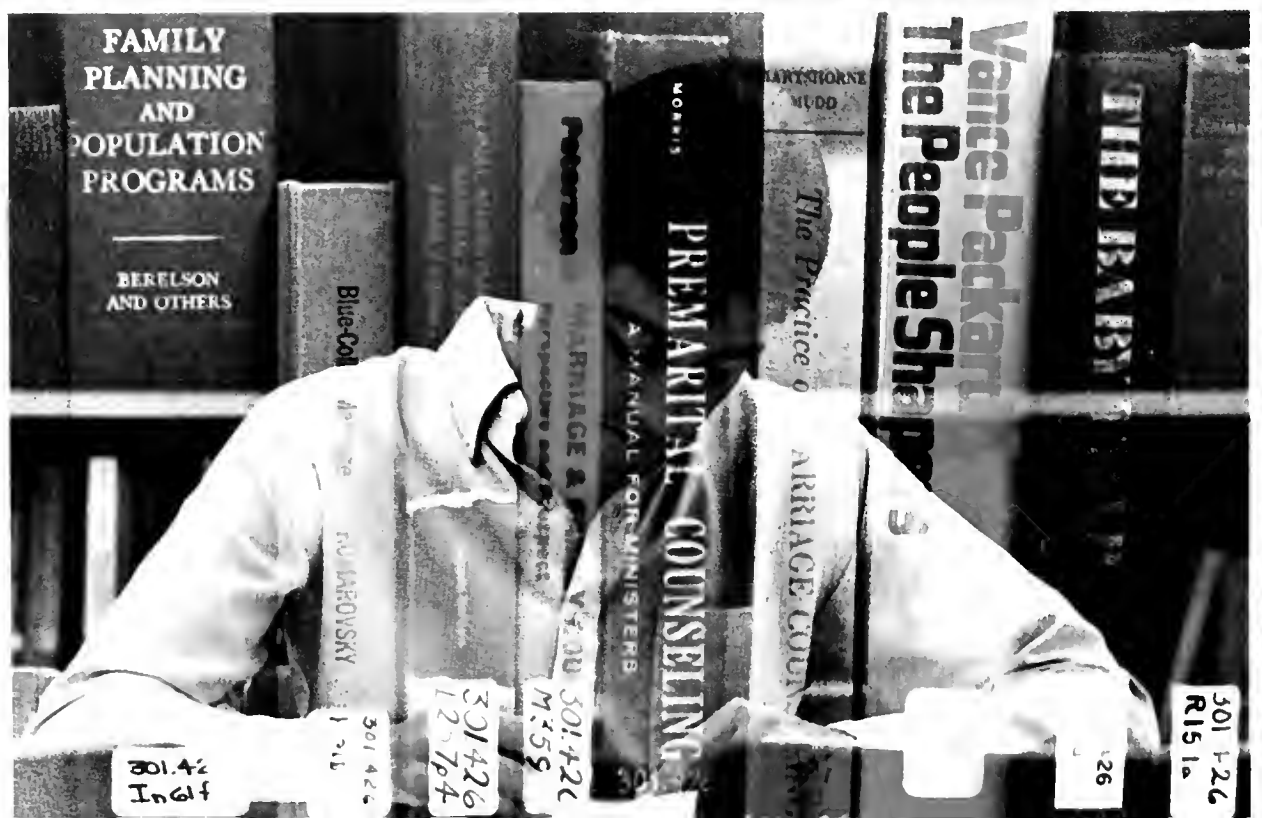

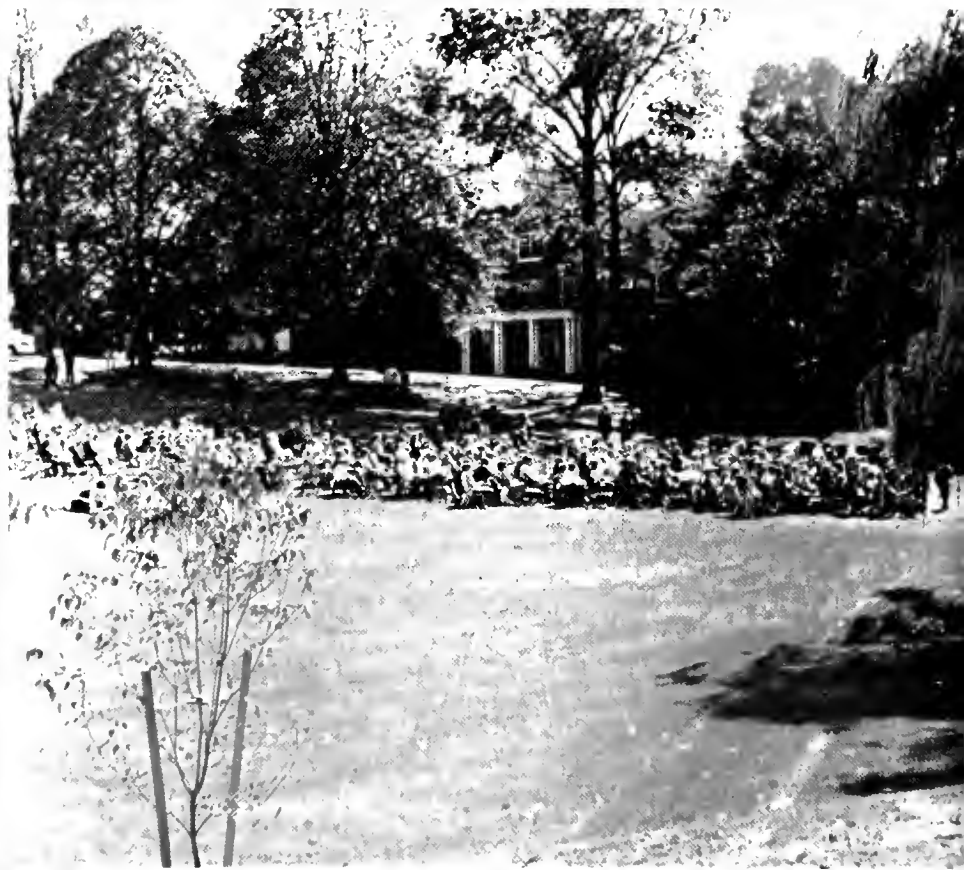

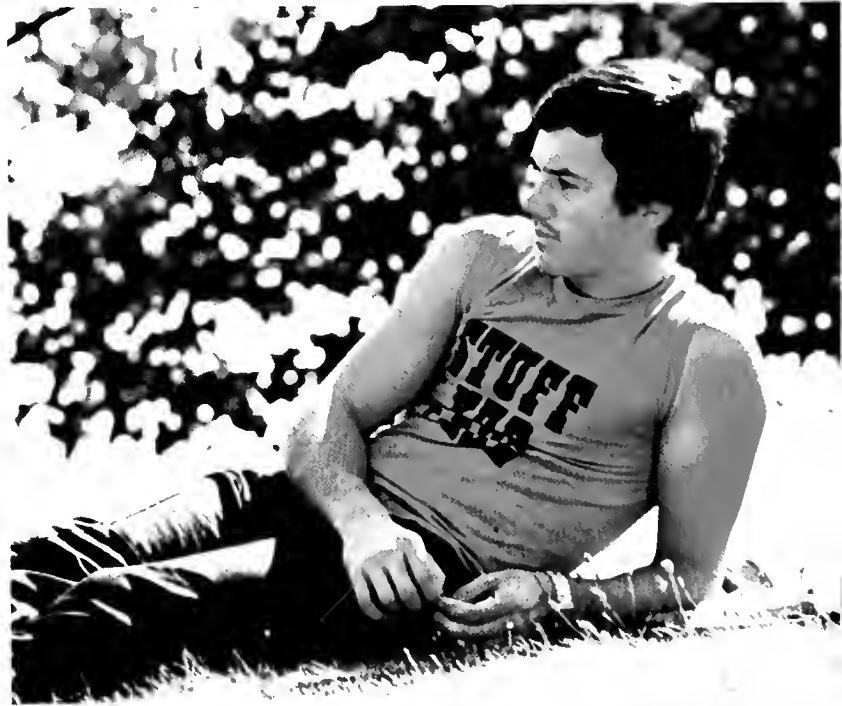

Leffler House Dedication

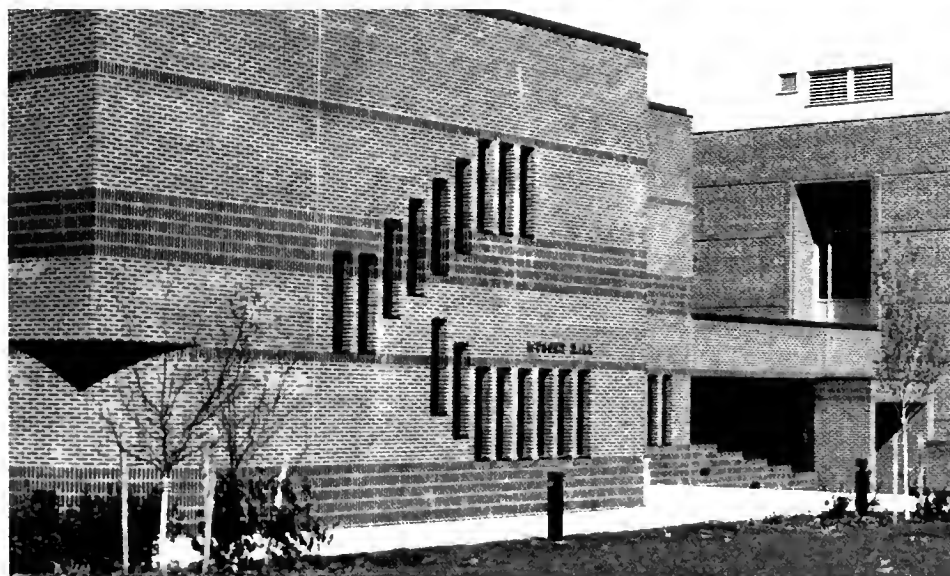

The house that once was the residence of a college president and his family, then served as a cooperative student housing unit for women, may now be performing that most important role for Elizabethtown. The two-story Colonial house, known to most recent generations of students as Sigma House, is the College's new admissions house. Completely refurbished, the building has been named Leffler House in honor of Carlos R. and Georgiana E.

Leffler, longtime friends and supporters of the college.

The formal dedication of the house occurred on Homecoming Weekend, October 15th. The new admissions house will not only enhance the image of the college in the eyes of prospective students and their parents, but will make it much easier for them to meet with admissions personnel for years to come.

Musser Chemistry Dedication

Elizabethtown College dedicated Musser Hall, our new chemistry facility, on Saturday morning October 29 in a ceremony witnessed by members of the Board of Trustees, representatives of major donors, faculty, administrators, students and invited guests.

Dr. and Mrs. Benjamin Musser, in whose honor the building is named, were seated, along with family members, speakers, and many of the invited guests, beneath a large canopy erected on the campus facing the new building.

Several weeks after the formal ground breaking ceremony on August 25, 1982, Warfel Construction Company began to build. About a year later at over 2.5 million dollars the new building was finished.

Off Campus Residents

Who Lives in Alpha Annex?

Alpha Annex — What's that, you ask? While most of the campus is sound asleep, one of two students is awakened by either a phone call (... mmmrr Good morning, Elizabethtown College) or a radio message from a Public Safety officer (Unit 3 to 266... we have no heat in Myer... call maintenance)... or maybe you've been in class when you hear a loud "beep, beep, beep, beep... please call ext. 263 as soon as possible" coming from somewhere on a fellow student... or perhaps you've trying to make a long-distance phone call to your parents and you hear a very pleasant voice (or maybe a groggy mumble, depending on the time of day) say "I'm sorry, we are unable to do that — please use a pay phone."

Tucked away on the 2nd floor of the Public Safety office is a nice, cozy apartment, occupied for the past 3 years by Goye Smith and Mabel Sweitzer, otherwise known as

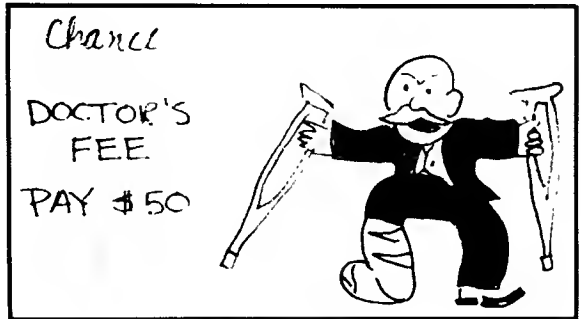

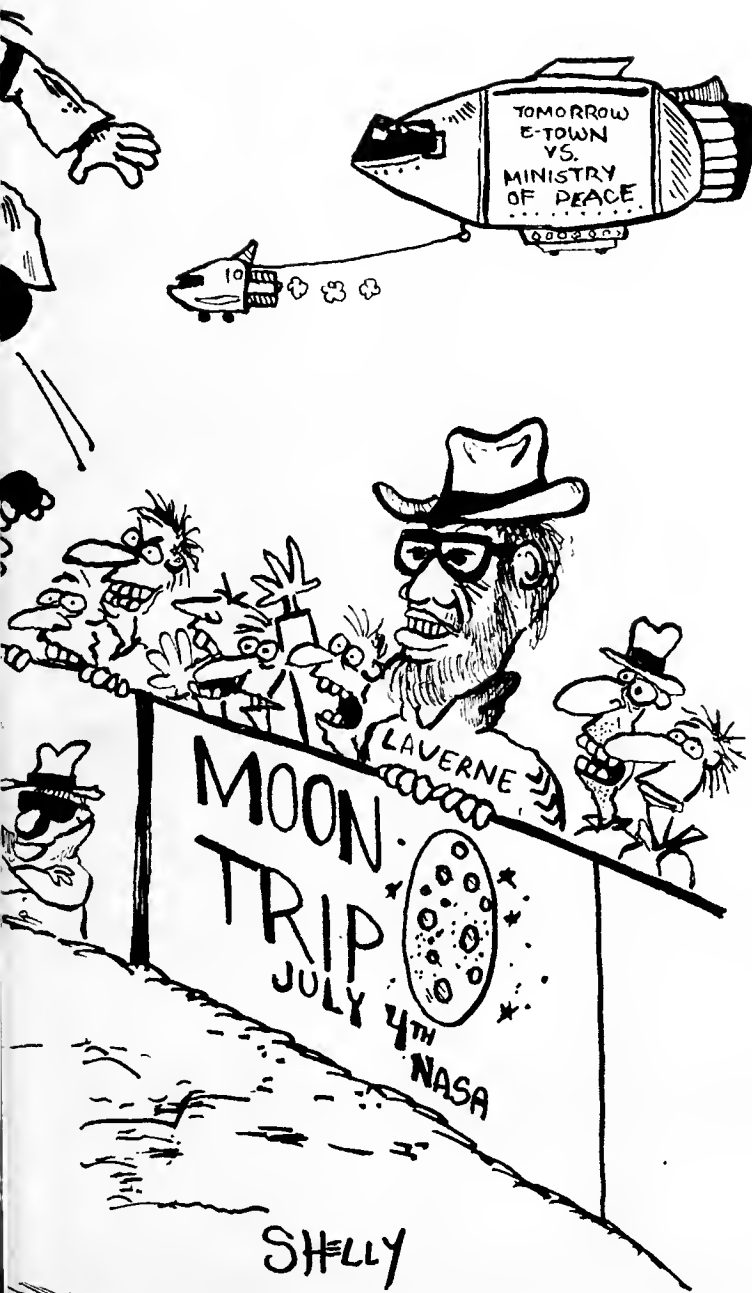

"Alpha Annex". Since fall semester 1981, these courageous students have been responsible for a number of duties to include: answering the college phone, paging safety, maintenance, health center and housing personnel, dispatching the safety dept. and handling a variety of emergency calls. Goye, a music therapy major from Mifflinburg, PA and Mabel, a Med. Tech. major from Red Lion, PA, have this to say about their 3 year experience: "It has been a trying experience, but was well worth the time. If we had to do it again... well... uh... hmmm... yeah, we probably would."

Although Goye and Mabel will graduate in May 1984, the "Alpha Annex spirit" must continue. The positions will be filled by 2 more students in the fall semester 1984; once again the campus will be assured that someone will answer the phone with a cheerful "Good morning, Elizabethtown College."

Season: 10-18

Although their record is deceptive, the 1983 volleyball team had a good season overall. The season ended particularly well as the Jaygals made the M.A.C. playoffs and got to the semifinals to tie for third place in their division. Team captain, Sue Herrick, in particular, "came a long way," said Coach Garrett, "and as a result was honored by being chosen for the North-west Section All-Star Team. He further pointed out that in this season, only the sixth one of volleyball at E-town, that the play was competitively good and much superior than previous years. Coach Garrett feels that E-town gained much respectability among other schools that it has not had before and that will continue.

Season: 1-5

The cross country team concluded another season that can be described as encouraging. Their record was an improvement over last year's record. Throughout the season, the men's and women's teams ran as two separate teams and as one coed team. The men's and women's team records were 1-14-1 and 1-5 respectively. The team finished ninth in the MAC championship and fifth in the Dickinson Invitational meet.

Frank Corleton was perhaps the season's outstanding runner. He finished first in all but one meet. He set an unofficial course record on Western Maryland's 8,000 meter course with a time of 25:45. He also set a 5 mile course record at PSU-Capitol with a time of 27:48 and on Elizabethtown's 5 mile course with a time of 26:12.

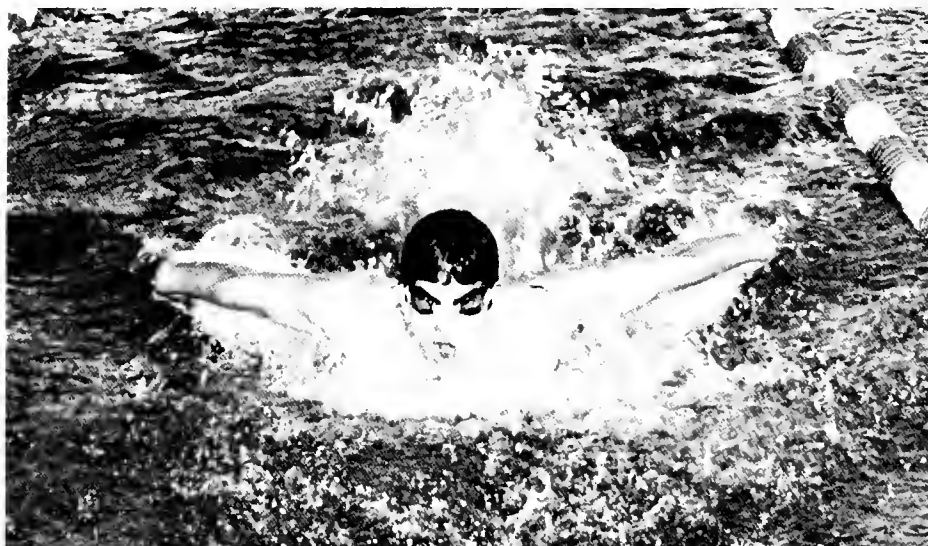

Swimming

Although the teams' records might not reflect a good season, the swimming teams as a whole broke nine records this season. Overall, the men's team was 2-10 while the women were 3-7.

Records which were set this year included diving (11 dives) by David Parry, 451.55; 1650 yd. freestyle by Mike Gibbons, 20:44.48; 200 yd.

medley relay by Carol Brecht, Karen Wolff, Jennifer Lachnicht, Sue Patton 2:07.31; 400 yd. medley by Brecht, Wolff, Patton, Annette Davis, 4:35.39; 50 yd. breaststroke by Lachnicht, 35.33; diving (six dives) by Teri Bubnis, 191.75; 100 yd. butterfly by Patton, 1:05.9; 200 yd. backstroke by Brecht, 2:27.64; and 200 yd. butterfly by Patton, 2:24.14.

*MAC's #NCAA's

For the third straight year, the women's basketball team reached the finals of the NCAA Division III playoffs. Although many expected the Jaygals to win the title, a shot at the buzzer thwarted E-Town as Rust College from Mississippi downed the "blue and gray" 51-49 for the championship at Scranton.

Even though the Jaygals lost the final battle, the team brought many other crowns home. The team finished 8-0 in the M.A.C. Northwest section and then went on to win the Middle Atlantic Conference title against Susquehanna 69-56.

Page Lutz and Sherri Kinsey both had many individual laurels. Both players were named to the Kodak All-American Team and the NCAA Academic All-America Team. Lutz also was

named most valuable player of the NCAA playoff team and Champion Products Player of the Year for Division III. In addition, she finished her career at E-Town with 1757 points, most of any woman and second in the all-time co-ed list.

Kinsey was not far behind. She finished her senior year with 1310 points, second among all woman lifetime.

Next year's team will be losing at least seven players including Shelly Parks who led the team in rebounding with 304. Mana Steinhauer, the only player remaining from the 1981-82 NCAA Championship team, will provide much experience for a young team. In her 14th season now, Coach Yvonne Kauffman has compiled a 226-67 record.

THOUSAND POINT CLUB

After breaking the 1000 point barrier last year, returning players Page Lutz and Sherri Kinsey increased their season totals and helped Elizabethtown to the NCAA finals. By scoring 544 in her senior year, Lutz became the all-time women's scorer and only second on the all-time co-ed list. In addition, Kinsey scored 389 points in her senior year to finish tenth on the all-time co-ed list.

Seniors Ann Mumford and Lisa Graff had fine years with records of 18-6 and 20-4 overall respectively. After his first year as tennis coach, Bob Schott should have a good team next year since he loses only two players.

After the Jays returned from an encouraging tour of Florida, the Blue and Gray went on to be 23-16 overall and 4-4 in the M.A.C. Northwest. In his first year as coach, Roger Hall met many of the challenges before him well.

Leading hitters included Herb Miller (.338), Jere Sollenberger (.316), and Scott Vaz (.310). Dan Morris led with 23 stolen bases while Tom Deardorff had four home runs. In addition, Mike Nolt had the most wins (4-2) while Deardorff had the lowest ERA of 2.89.

In addition, during the season, the Blue Jays had lost to Wilkes 4-5. But due to an inelligible Wilkes player, the Jays received a forfeit which counted as a 7-0 win.

After last year's **1983 Conestogan** received a Showcase Award from Herff Jones Yearbooks, I didn't think we could do much better. On the other hand, there is always room for improvement.

I thought of the theme of the book, which is explained in detail on page one. I then sat down with Jeff Lloyd and Robin Idler who expressed my ideas in art. It is a difficult task to express someone else's ideas in art; they have done an excellent job. I also must thank Ken Baylar and Terri Hoffman in Public Information and Mike and Barb Gilroy of Gilroy Associates who have helped me and the staff for the past two memorable years.

Great job everybody! I will miss you all!

Freshman Orientation Weekend

Elizabethtown College welcomed the class of 1987 on the hot, sunny weekend of August 27-29, 1983. The first weekend of college for the freshman included induction ceremony, new games, designed to make our frosh feel welcome and to provide a chance to make friends, numerous meetings with Peer Counselors, Freshman Talent Show, pizza party as well as making new friends on the progressive hike. Everyone was too busy to be homesick . . .

Parents Weekend

The crisp clear weekend of September 24-25 was the date for this year's Parents Weekend. A weekend is reserved for acquainting parents with Elizabethtown, as well as reacquainting family and their students.

After a registration for parents, on Saturday, there was brunch in the cafe, a reception with administration and Faculty, a soccer game with our Blue Jays, followed by a reception given by President and Mrs. Ebersole. Most families took to local restaurants for dinner.

Families also attended an interdenominational Service in Rider Chapel.

Emphasis Week

Each year our college sets aside a week in the fall to tantalize our cultural tastes. During the first week of November under the theme of "Enjoying the Arts in America" Elizabethtown audiences heard presentations on the arts and music of our nation. Speakers included Dr. John Horrisson on Concert Music and Henry Libhort discussing gallery art. Emphasis week came to close with a trip to New York City to visit the Big Apple's theaters, galleries and other sites.

Homecoming

A power outage may have left half the campus buildings in the dark, but it certainly did not darken this year's Homecoming festivities. Barring some last minute shifting of plans, the weekend was lovely and bright.

On tap for this weekend was the Midway complete with flowers, plants, dunking booth, food, crafts, raffle tickets and much more. During halftime of the Soccer Game against Trenton, Phyllis Dayton was crowned Homecoming Queen with her court in close attendance. Dick Cavett with his famous witty flair kept the audience in the Dell laughing as he entertained questions from spectators. Also on Saturday, Leffler House, the new admissions building was dedicated following a selection of tunes from our Jazz Band. Once again Nick Stamos and staff dazzled our taste buds with their gourmet delights at the Alumni-Student Dinner. Following the dinner there was a dance in Founders.

APB Halloween Weekend

On tap for this year's APB Halloween Theme Weekend was a haunted house in Orchard, Big Brother/Big Sister Day, a costume dance in Thompson Gym featuring "Stars on 45" and "Survival", the game where students try to elude secret plastic toy-gun wielding assassins.

U.S.A. — Poland

For the first time in Elizabethtown history, Thompson Gym was the site of an exhibition volleyball game between the Poland National Team and the U.S. National Team. The United States Team defeated the Polish Team by a score of 3 games to 2.

"Charlie Brown"

Under the direction of Ty Greiner, "Charlie Brown" opened on November 4th in the Alumni Auditorium. The play was presented by Campus Theater and Sock & Buskin. Bringing everyone's favorite cartoon characters to life were Greg Cooney as Charlie Brown, Colleen Coolican as Lucy, Peppermint Patty was portrayed by Lyndo Swon, Linus was played by Brion Cossel and Chris Dowdell played Schroeder.

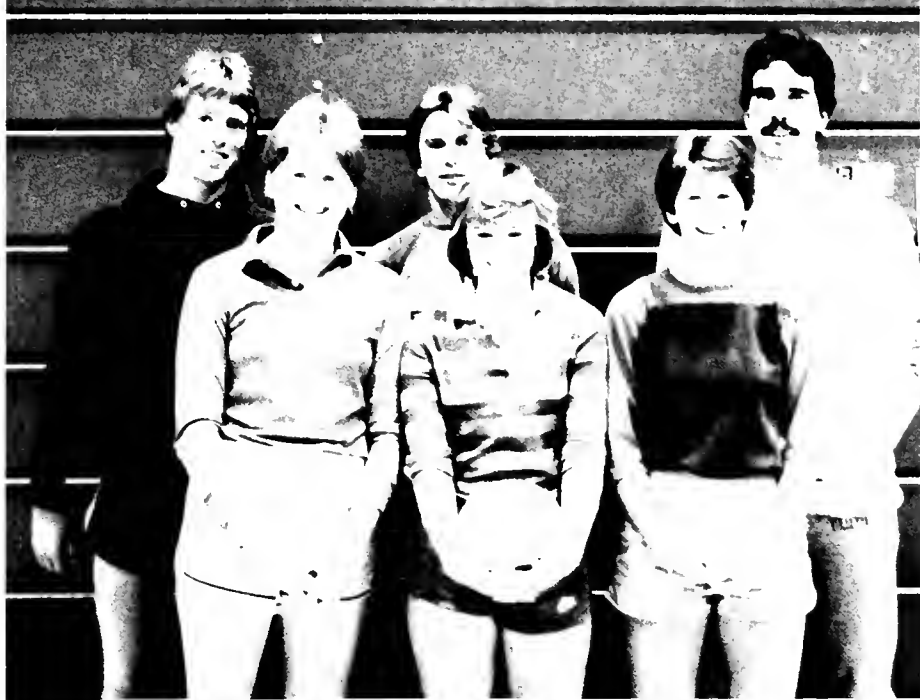

Brinser/Myer "Fight for Leukemia"

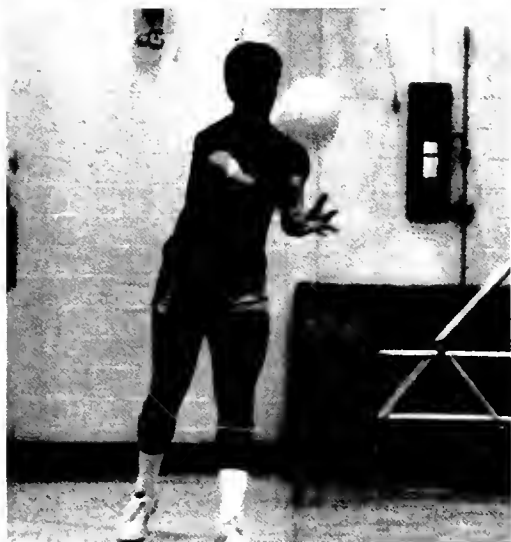

On November 4th the men of Brinser and the women of Myer met in a head to head flag football battle on the intramural football field to raise funds for the Leukemia Foundation.

Pat Conway with the assistance of his RA Chris Cavanaugh helped organize the game. Approximately 20 students participated from each dorm. Myer dorm was spotted 40 points and still won.

Volleyball Marathon

For 24 hours between 8 p.m. October 21 through 22, the 8th Annual Volleyball Marathon was in full swing in Thompson Gym. Through pledges, this year's nineteen teams, consisting of close to 200 participants raised \$2000 for CROP — the Community Hunger Appeal of Church World Service to help feed the hungry of the world.

Bryers Bombers took first place in this event. The winning team members, were Koren Lutz, Karen Zimmerman, Lauri Kendoll, Herb Miller, Mike Nolt, Ray Meyer, Bill Demora and Linda Wagner.

Mark Russell in Concert

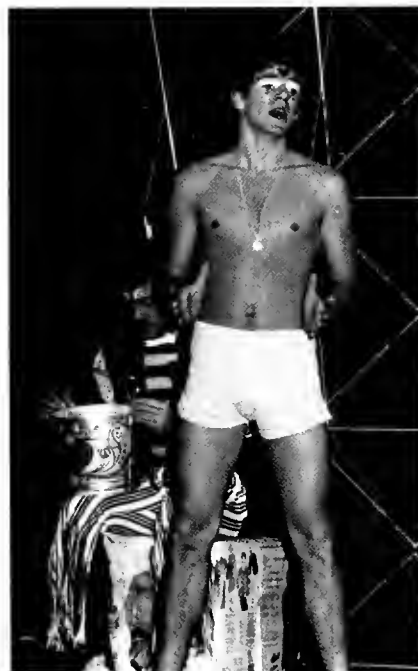

Comedian, singer, pianist, columnist, political sniper, television performer — they all make up the personality of America's court jester, Mark Russell.

Members of the Elizabethtown Community had the opportunity to hear Mark Russell on November 11th in Thompson Gym.

Russell is considered to be the nation's premier political stand-up comedian and, as such, he always has time to toss a few barbs in the direction of the President and all those who would like to become President. Overall, Russell was very entertaining and kept the audience chuckling at his witty remarks for the entire evening.

Godspell

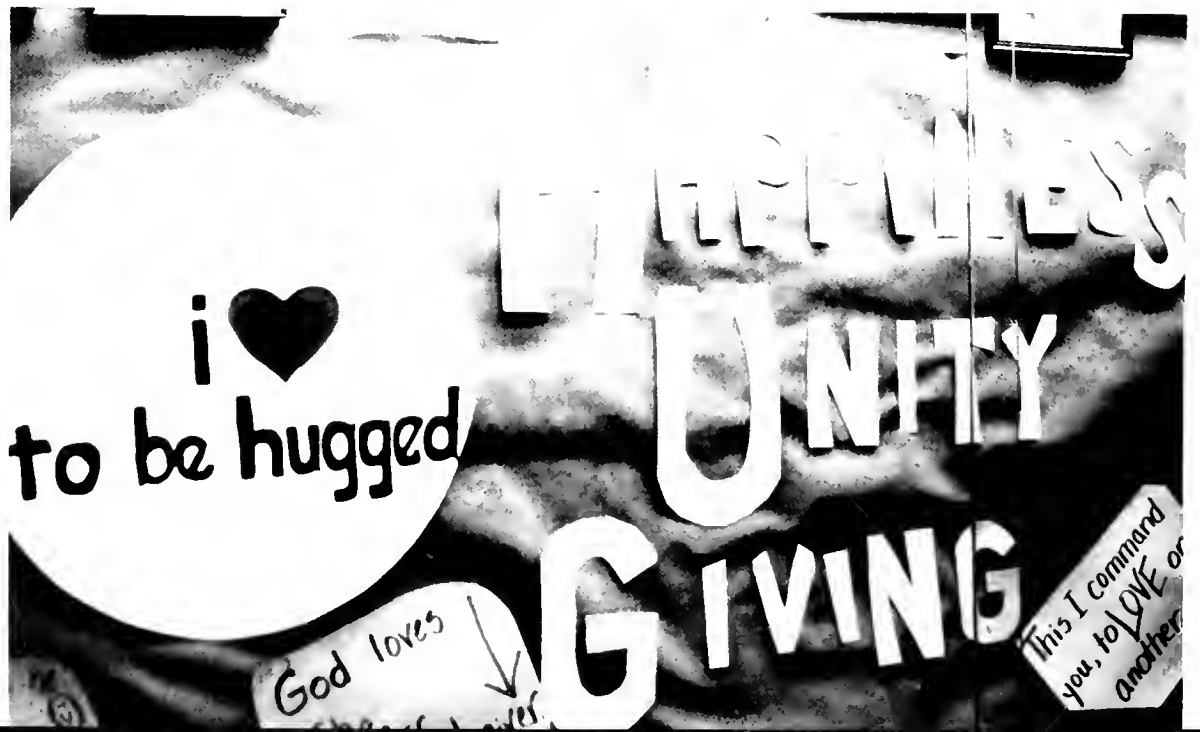

"Godspell" comes to you like a fresh morning breeze. It is set in a framework of jubilant rock music and has an air of carnival innocence and sheer joy. Jesus and the followers are arrayed in bright gypsy garb and clown clothes with sparkling painted faces. They rattle your soul like a tambourine while preaching the good word of God.

Alpha Psi Omega performed "Godspell" twice on campus in December. Then, because of its great success, an encore performance was given in February.

The cast included: Christopher C. Cavanaugh (Jesus), Pete Gialloredo (director/Judas), Mary Ann Calderone, Colleen Callican, Claudine Crooks (accompanist), Holly Hardaway (assistant director), Michele Zimmerman Kaufman, Christi Schultz, Nancy Wellons and Deb Wood.

Religious Clubs' Weekend

The religious community collaborated on the weekend of February 3-5 to bring the campus lats of H.U.G.s (Happiness, Unity, Giving). The weekend opened on Friday with Hug Day. Stickers bearing the words, "I love to be hugged" were distributed as the students and faculty hugged each other. Friday's activities included a singspiration, the movie "The Cross and the Switchblade" as well as a caffeehouse featuring Christian Rock. Slated for Saturday was a square dance in the AA followed by a dance with student D.J.'s. The weekend closed on Sunday with Vespers in Rider.

Brinser Theme Weekend

Brinser held its own theme weekend in late January. The weekend was highlighted by the annual Casino games and on Sunday an auction was held where students bought things with the Casino paper money profits.

Dance Marathon

Once again students took part in the 24 hour dance marathon. Students took donations as well as pledges which were then given to help fight Muscular Dystrophy.

Sock and Buskin, the E-town College Campus theatre organization, presented "An Evening of One Act Comedies" as its spring production.

Under the direction of Ty Greiner, the production consisted of four one-act plays: "The Loveliest Afternoon of the Year," "The Froegle Dictum," "A Day for Surprises," and "Doing a Good One for the Red Man."

The cast for the plays, which began April 6, included Peter Gialloredo, Linda Brecht, Kendall Hullihen, Chris Cavanaugh, Nancy Cottrell, Dennis Towney, Emily Duzey, Peter LaRocco, Sara Ream, Donno Rowe, and Harry Page.

"An Evening of One Act Comedies"

S.T.E.P.

The Student Team of Entertainers and Performers (S.T.E.P.) presented us with their annual musical review on February 24 and 25. The theme of this year's review was "Movies Were Movies". Proceeds from the show in the Alumni Auditorium went to the College's Alcohol Awareness Program.

Music and dancing from 25 films ranging from golden oldies to popular recent movies were performed.

ALMOST ANYTHING GAES

T.G.I.S., Thank God it's Spring! This quote surely summed up the feelings of most E-town students during the T.G.I.S. weekend. With the theme of "Elizabethtown Pacific", the weekend opened up on Thursday, April 26 with the Awards Ceremony and later a comedy concert.

Other events included a beach in Founders, a carnival in the Brown Lot, the movie "Jaws," Big Brother/Big Sister Day, the Love Boat dinner in Thompson Gym, a band called "Backstreets", and the "Almost Anything Gaes" competition. The celebration ended with a bang at Lake Placida where a fireworks display was launched Sunday night.

Student Awards Ceremony

Outstanding Students Row 1: Terri Nellans, Denise Kreider, Linda Brecht, Sue Patton, Elaine Alba, Mary Jean Barnes.
Row 2: Sherr Kinsey, Cornelia van Lersner, Chris Dawdell, Diane White, Jane Hawley, Phyllis Dayton.

For the sixth consecutive year, the College honored many of its students during the Awards Ceremony on April 26, 1984. With introductions from Master of Ceremonies Walter Shaw, students received awards in such areas as English, Business, Athletics and Chemistry to name a few.
